Qualifying Computers

A Mac computer qualifies for this program if it was sold by an Apple Authorized Reseller or Apple Inc. between January 6, 2009, and March 28, 2009, and does not include iLife '09 (see "Terms and Conditions" for qualifying computers). Your date of purchase and the computer marketing part number are used to determine whether your order qualifies for this program. An example of a marketing part number is shown at right. Visit the iLife Up-To-Date website at www.apple.com/ilife/uptodate for more information, including how to determine your computer's marketing part number.

Multiple Qualifying Products on a Single Invoice

If you purchase multiple qualifying products on a single invoice, you can either (1) purchase a Single-User upgrade kit for each qualifying product for US\$9.95 each plus appropriate sales tax*; or (2) purchase fewer Single-User upgrade kits and request the Right to Copy for the remaining qualifying products. See "Terms and Conditions" for program details.

*Covers product plus shipping and handling fee. U.S. customers add appropriate state sales tax.

The program ends March 28, 2009. Your order must be postmarked or faxed by April 3, 2009, and received by April 10, 2009, so order your upgrade now.
